

BENOWA MANSIONS PERIODONTAL PRACTICE

A 30 year warranty is offered to replace any completely failed dental implant at no fee on the following conditions:-

- (a) The dental implant was placed at Benowa Mansions Periodontal.
- (b) The patient has not smoked any tobacco or marijuana.
- (c) The patient has had any active periodontal disease treated at the time of placing the dental implant and has fully complied with the recommended ongoing maintenance required and oral hygiene instructions given.
- (d) The patient has returned to have the final crown or bridge work checked at Benowa Mansions after having it completed by the restoring Dentist or Prosthodontist within 3 months of completion, follows the time frames stated on the treatment plan and does not keep the temporary crown on for longer than the recommended time.
- (e) The patient returns to Benowa Mansions to have the dental implant check at the recommended recall time.
- (f) The implant warranty does not cover neglect to the dental implant caused by the patient, any motor accidents, personal accidents or assaults. The warranty does not cover applying excessive forces from chewing on the implant during the first 2 months from the implant being placed whilst it is integrating.
- (g) For patients that are bruxers, the patient has a "bruxing guard" constructed and wears it every night.
- (h) The dental implant prosthetics must be supplied by a trusted Australian Dental Laboratory and made in Australia with TGA approved materials.
- (i) The dental implant warranty is void if any of the above conditions are not fully met.

Please Note: This warranty is for the **dental implant only**; not for the implant supported abutment, crown, bridge work or denture. *Please confirm with your restorative dentist the warranty on the dental implant supported prosthetics.*
